National case law

Austria

This section provides an overview of Austrian case law and the relevant legal databases.

Online case law databases

Judgments made by Austrian courts are published in the legal information system of the Republic of Austria and can be found at <http://www.ris.bka.gv.at/>.

Judgments by the highest courts and the administrative courts are published in full; those of the other courts are published only in some individual cases.

The legal information system (*Rechtsinformationssystem – RIS*) is an electronic database operated by the Austrian Federal Chancellery. Its main purpose is to announce legislation published in the Austrian federal law gazette (*Bundesgesetzblatt*) and provide information about the law in the Federal Republic of Austria.

The RIS offers good web accessibility (WAI-AA in accordance with WCAG 2.0).
