## Facilities in EU countries

### Netherlands

Most courts in the Netherlands have equipment for hearing witnesses or experts remotely in the courtroom by videoconference. The procedure is also referred to as a 'telehearing' in the Netherlands.

The document below provides information on the type of videoconferencing equipment available at the relevant court.

**Videoconferencing equipment**  (98 Kb)  (in English)

More information on how videoconferencing in court cases works [here](#).
