

EU training networks & structures

The European Judicial Training Network (EJTN) is the principal platform and promoter for the training and exchange of knowledge of the European judiciary. Its members are the national judicial training institutions from all EU member states and the Academy of European Law (ERA).

Its vision is to foster mutual trust between judiciary professionals from all EU member states and to contribute to creating a common legal and judicial European culture.

EJTN provides networking opportunities for its members, observers, and partners by offering tailored training to all 400.000 judges, prosecutors, court staff, and judicial trainers in the EU. The EJTN cooperates with all other major EU-level judicial networks.
