Indien mijn verzoek van dit land naar een ander EU-land moet worden gezonden

Op civielrechtelijk vlak blijven lopende procedures en procedures die voor het eind van de overgangsperiode zijn ingeleid, onder het EU-recht vallen. Zoals overeengekomen met het VK, wordt alle informatie op dat gebied in verband met het Verenigd Koninkrijk tot eind 2024 op het e-justitieportaal bijgehouden.

What is the role of the assisting authority?

We will assist residents of the UK injured in another EU country to claim compensation from that country.

Will this authority translate the supporting documents, if the outgoing claim needs this? If so, who pays for this?

We may obtain and pay for the translation of supporting documents.

Are there administrative or other charges to be paid when the claim is sent abroad?

We do not charge for our services, but we will not pay the costs of submitting an application where this charge is levied by another EU country.
