The Italian judicial network is based at the Italian Ministry of Justice, in the Office for International Judicial Cooperation in the Department of Judicial Affairs of the Directorate-General for International Affairs and Judicial Cooperation.
At the moment, there are five contact points.
The contact points are in constant contact with other members of the Network, with whom they collaborate in processing requests for cooperation or in preparing practical information sheets to publish on the e-Justice Portal.
The other members of the Italian network are:
- the Department of Juvenile and Community Justice (*Dipartimento per la giustizia minorile e di comunità*),
- the Directorate-General for Automated Information Systems (*Direzione generale per i sistemi informativi automatizzati*, contact point for the *e-Justice* Portal),
- the central authority for the service of judicial documents,
- the National Bar Council (*Consiglio Nationale Forense*) and
- the Italian Council of Notaries (*Consiglio Italiano del Notariato*).

The contact points for the EJN also have links with
- the Judicial College (*Scuola Superiore della Magistratura*),
- the Italian branch of the European Consumer Centres Network (ECC Net),
- the Internal Market Information System structure in Italy and
- Pietro Franzina, professor of private international law at Sacro Cuore Catholic University, expert advising the contact points.

As a rule, the Italian members of the Network meet once a year.
The contact points provide assistance to courts and law officers dealing with cross-border issues.
All publications sent by the Commission (brochures, information summaries, etc.) are distributed to the courts, law officers and parties concerned.
On occasion, the contact points receive delegations from other Member States visiting Italy as part of their judicial training.
