In 1992, EIPA established its first antenna, the then **European Centre for Judges and Lawyers**, in Luxembourg, with the specific objective of providing training for the Judiciary and public as well as private practicing lawyers on the interpretation and application of Community –now, EU law.

Since 2012, EIPA's European Centre for Judges and Lawyers follows a targeted topical approach towards its main target groups: the judiciary, including non-magistrate staff, as well as the other legal professions. The Centres activities focus on the provision of **tailored and practice oriented** training programmes including consultancy and coaching.
